Forecast for Sunday 28 Aug 2022

Weather: Any early morning mist and fog patches soon clearing, allowing for some sunny spells, although there will tend to be large amounts of high cloud. The odd light shower is possible during the afternoon.

Chance of cloud-free hill tops above 800m: 90%

Low Cloud and visibility: Early morning mist and fog patches reducing visibilities in places initially, however this will soon lift leaving very good visibilities across Snowdonia with distant hills and summits clearly visible. Isolated showers leading to brief deteriorations. Cloud bases well above the level of summits throughout the day.
